# Washington State Heart Gallery Project

**PREMIERE • April 27 • 5:30 p.m.**

**Exhibit • April 28 – May 6, 2004**

City Space\* in Bank of America Tower  
701 Fifth Avenue, Seattle

The Heart Gallery is a stunning exhibit of 50 portraits that capture the spirit of Washington residents of all ages who need our help and encouragement.

Nine top NW photographers volunteered their expertise to create visual images of children, teens, adults, families and seniors supported by DSHS programs.

The goal of the Heart Gallery is to inspire willing Washingtonians to take roles in these and other individual's lives as friends, foster parents, adoptive parents, companions, mentors, employers or contributors.

#### At the Premiere:

- Meet the people who are the heart and soul of the first-ever Washington State Heart Gallery.
- Meet artists who are giving their time, expertise and creativity to introduce these people and their stories to caring people of Washington.
